

ILLINOIS STATE BOARD OF INVESTMENT

PROCUREMENT POLICY FOR INVESTMENT SERVICES

I. INTRODUCTION

The Illinois State Board of Investment (“Board” or “ISBI”) has established the following policy for the selection and appointment of Consultants and Investment Advisers.¹ In establishing this policy, it is the Board’s intention to assure all interested parties that procurement decisions occur in an environment of full disclosure characterized by competitive selection, objective evaluation and proper documentation. The overriding consideration with respect to all decisions made by the Board is that the decisions be made solely in the best interests of the underlying retirement system participants and beneficiaries.

In order for any Consultant or Investment Adviser to provide Investment Services to the Board, the entity must either be registered as an investment adviser under the federal Investment Advisors Act of 1940² or be a bank, as defined in the federal Investment Advisors Act of 1940.

When required by the Illinois Pension Code³ the Board shall award all contracts for Investment Services through a competitive proposal process. For this process, the Board shall develop and use uniform documents for the solicitation, review and acceptance of all Investment Services pursuant to the requirements of the Illinois Pension Code. Documents may vary by specific investment mandate. At a minimum, the documents shall include (i) a description of the goal to be achieved; (ii) the Investment Services to be performed; (iii) the need for the Investment Services; (iv) the qualifications that are necessary and (v) a plan for post-performance review. If required, these uniform documents shall be published on the Board’s website.

If required by the Illinois Pension Code, a description of every contract for Investment Services shall be posted prospectively on the Board’s website, including the name of the person or entity awarded the contract, the total amount applicable to the contract, the total fees paid or to be paid under the contract and a disclosure, approved by the Board, describing the factors that contributed to the selection of the Investment Adviser or Consultant.

This Procurement Policy shall not apply to the following procurements for Investment Services:

1. Sole source procurements;
2. Emergency procurements;
3. Procurements specifically exempt from this process pursuant to the Illinois Pension Code; and
4. At the Board’s discretion, (i) contracts valued at \$20,000 or less, (ii) that are nonrenewable and (iii) of one year or less in duration.

All exceptions to this policy shall be published on the Board’s website, shall name the person authorizing the procurement and shall include a brief explanation of the reason for the exception;

¹ All capitalized terms within this Procurement Policy are defined in the attached Schedule A.

² 15 U.S.C. § 80b-1, *et seq.*

³ 40 Ill. Comp. Stat. § 5, *et seq.*

provided, however, that no notification is required unless specifically required by the Illinois Pension Code.

No Consultant or Investment Adviser shall retain a person or entity to influence (i) the outcome of an investment decision or (ii) the procurement of investment advice or services of the Board for compensation, contingent in whole or in part upon the decision or procurement.

The selection and appointment of Consultants and Investment Advisers for Investment Services by the Board shall be made and awarded in accordance with the Illinois Pension Code, the State Officials and Employees Ethics Act⁴ and all other relevant authority under the Illinois Compiled Statutes. All ex parte communications shall be recorded. Board Members and all ISBI employees shall comply with all gift ban restrictions.

II. SELECTION OF CONSULTANT SERVICES

Under the Illinois Pension Code, the Board has authority to select Consultants who shall provide Investment Services to the Board's commingled fund.

The criteria used to determine the minimum qualifications for Consultants with respect to a specific investment mandate include but are not limited to the following factors:

1. Registration with the Securities and Exchange Commission under the Investment Advisors Act of 1940, or otherwise qualified under the Illinois Pension Code;
2. Firm experience advising large defined benefit plans in respect of asset allocation, manager selection and manager oversight and operating under prudent person standards, as well as related investment advisory experience;
3. Qualifications and depth of the professional staff;
4. Soundness of the firm's philosophy and process in respect of defined benefit plan assets;
5. The firm's track record with defined benefit clients;
6. The adequacy of the firm's advisory, back office, accounting and reporting and client servicing capabilities; and
7. Fees.

Requirements may differ based on the investment mandate recommended by the Board's investment staff. The establishment of these criteria shall not be used to bar or prevent any qualified Consultant from responding to a competitive proposal process.

The search process for a Consultant shall be a competitive proposal process, unless specifically exempt pursuant to the Illinois Pension Code, and shall generally follow the guidelines listed below:

1. The Board shall determine the parameters of the Consultant search, upon recommendation by the Board's investment staff. Advertisements for the Consultant search shall be placed in the State newspaper and in one or more industry periodicals at least 14 days before the response to the proposal document is due.

⁴ 5 Ill. Comp. Stat. § 430, *et seq.*

2. Uniform documents shall be used for the solicitation, review, and acceptance of Investment Services and will be posted on the ISBI web site. Documents may differ based on the specific search mandate.
3. All interested respondents shall return their responses to the Board's investment staff, as directed by the proposal document. Staff shall open the responses, record them and thoroughly review each for content, quality and compliance with proposal document requirements. Staff shall compile a list of all respondents to the competitive proposal process.
4. Following review and evaluation of the responses from interested firms, the field of candidates is narrowed to a smaller list of the most highly qualified firms. At this point, the Board's investment staff may meet with representatives of each firm to obtain an independent assessment of the firm's capabilities.
5. Following the interview with the selected firm(s), the Board's investment staff recommends to the Board one or more Consultants for engagement. Generally, the finalists appear before the Board to present their firms' qualifications.
6. The Board accepts or modifies the recommendation and makes the final decision with respect to the engagement, if satisfied with the firm's capabilities.

The competitive proposal process shall comply with all relevant sections of the Illinois Compiled Statutes.

ISBI shall post the name(s) of the successful respondent(s) on the Board's website, along with a disclosure including the total amount applicable to the contract, the total fees paid or to be paid and a description of the factors that contributed to the selection of the Consultant.

III. CONTRACTING FOR CONSULTANT SERVICES

The Board shall not enter into a contract with a Consultant that exceeds 5 years in duration. No contract to provide consulting services may be renewed or extended. At the end of the term of the contract, the Consultant is eligible to compete for a new contract. The Board shall not attempt to avoid or contravene this restriction by any means.

Investment Services provided by a Consultant shall be rendered pursuant to a written contract between the Consultant and the Board. The Board's uniform Investment Consulting Agreement shall be the base contract. This agreement shall be in compliance with all relevant sections of the Illinois Pension Code.

The contract must include the following terms, among others:

1. Acknowledgement in writing by the Consultant that the firm is a fiduciary with respect to the Board;
2. The description of the Board's investment policy and notice that the policy is subject to change;
3. 5. Disclosure of the names and addresses of (i) the Consultant; (ii) any entity that is a parent of, or owns a controlling interest in, the Consultant; (iii) any entity that is a subsidiary of, or in which a controlling interest is owned by, the Consultant; (iv) any persons who have an ownership or distributive income share in the Consultant that is in excess of 7.5% or (v) serves as an executive officer of the Consultant or Investment Adviser;

For purposes of this paragraph (6), "subcontractor" does not include non-investment related professionals or professionals offering services that are not directly related to the investment of assets, such as legal counsel, actuary, proxy-voting services, services used to track compliance with legal standards and investment fund of funds where the Board has no direct contractual relationship with the Investment Advisers or partnerships;

These contract terms are subject to change based on amendments to the Illinois Pension Code.

The criteria used to determine the minimum qualifications for Investment Advisers with respect to a specific investment mandate include but are not limited to the following factors:

If a competitive process is required by the Illinois Pension Code, the search process for Investment Adviser(s) shall be conducted in a substantially similar manner to that of the Consultant search process, except that the Board's Consultant may assist the Board and the Board's investment staff in the search.

If in any case an Emerging Investment Manager(s), or, if no Emerging Investment Manager, a Minority Investment Manager(s), meets criteria established by the Board and Consultant for a specific competitive search (if a Consultant is utilized), the Emerging Investment Manager(s), or Minority Investment Manager(s), if applicable, shall receive an invitation by the Board, or the Board's Investment Policy Committee and/or Emerging Manager Committee, to present the firm(s) for final consideration. ISBI shall post the name(s) of the successful respondent(s) on the Board's website, along with a disclosure including the total amount applicable to the contract, the total fees paid or to be paid and a description of the factors that contributed to the selection of the Investment Adviser.

No Board Member, ISBI employee or ISBI Consultant shall knowingly cause or advise the Board to engage in an investment transaction with an Investment Adviser when the Board Member, ISBI employee, ISBI Consultant or any of their spouses (i) has any direct interest in the income, gains or profits of the Investment Adviser through which the investment transaction is made or (ii) has a relationship with that Investment Adviser that would result in a pecuniary benefit to the Board Member, ISBI employee or ISBI Consultant or any of their spouses as a result of the investment transaction. With respect to this requirement, Consultant includes an employee or agent of a consulting firm who has greater than 7.5% ownership of the consulting firm.
